Overnight oats

Ingredients:

- 40g porridge oats
- 100g fat free yogurt
- 30ml water
- Fruit and any topping you like!
- Add a dash of honey if you like it a little sweeter.

Method:

Mix all ingredients together in a pot and put in the fridge overnight or for at least 4 hours.

You can flavour these in many different ways. Add 30g grated apple and a dash mixed spice for apple crumble flavour. Add $\frac{1}{2}$ a mashed banana and a sprinkle chocolate chips for banana cake flavour... the list goes on!!!
